

To Whom It May Concern,

The service and personal attention we received from Carrols Real Estate / Laing + Simmons was exceptional. They are truly a high-calibre team.

Peter, the then Leasing Officer, helped us in our search for our dream home. The signing of the lease was a very swift & smooth process. We were introduced to Nina - the property manager.

Nina maintained excellent communication. Prompt responses and personal attention made us feel as though we had exclusive access to all the resources at L + S. The inspections were done with sufficient notice to us & at a time suitable to us. With the change in our circumstances we had to break the lease before the end of the term.

Nina again proved to be highly responsive, reliable, and very easy to work with. All of this was very important since we were overseas. Nina regularly informed us of the progress of the search for a new tenant & the whole team strived hard to find a tenant quickly and ensured the minimum cost of the break-up to us.

Thanks Nina for being a thorough professional, for having the dedication & genuine interest to make our stay enjoyable.

I would highly recommend Laing + Simmons to help you in leasing a property. We could not have asked for a better Realtor to guide us through the process.

Sincerely,

Prashant & Renuka Sant
