Hi Melanie,

As discussed, please find Anthony's email.

Also, I have attached a few pictures that Sam took before the tenants moved in, as part of the condition report - they show the state of the carpets, built in, stove.

Please let me know whether you have collected the whole set from RE - if not, I will send them to you.

Thank you for your professionalism and impeccable style in today's inspection - really appreciated.

Kind Regards,

Alessandra
