

Hi

We want to thank you for your tremendous service when we enlisted the help of Jim Malamas from Carroll's real-estate Wentworthville

Whilst we had looked at other real-estate agents within our area Jim showed us that extra genuine care at such a sensitive decision of selling our home .we were delighted with your great personal service based on your obvious knowledge and enthusiasm with the wide range of knowledge and suggestions regarding the sale of our home .

Your patience and guidance certainly enabled us to get the best possible price for our home and it such a short time .

We can report that both my husband children and myself want to say a big thank you to Jim Malamas and his team for providing support and assistance with professionalism that made the sale of our property in Greystanes a smooth transition .Thank you for you kind attention to our needs and we will certainly recommend your real-estate and yourself to friends and business colleagues.

Our kind regards

Best regards,
